

## WHO WE ARE

We're the global fintech leader in connecting digital assets and fiat. We enable our clients to engage with crypto consumers - the fastest growing consumer segment on the planet. Leveraging our next generation payment technology, global network and expertise, we provide faster, more efficient and risk free payment solutions.

### WHY FORUMPAY?

- ✓ Reach all 575 million crypto consumers for payins and payouts with our wallet agnostic solution.
- ✓ Any major crypto and stablecoin.
- ✓ Zero volatility risk – if you invoice \$100 then this is the exact amount you will receive.
- ✓ Fast transactions – as fast as, if not faster than cards.
- ✓ Fixed payment address deposits for ease of making repeat payments.
- ✓ 99.99%+ confirmation rate (higher than 60-95% for cards & other methods) with payment guarantee.
- ✓ Next-day (T+1) settlement in any major fiat or stablecoin.
- ✓ Automated mass payouts and withdrawals.
- ✓ OTC and B2B wallet.
- ✓ Best in class AML compliance.
- ✓ Automated payment exception handling.
- ✓ Smooth & non-disruptive system integration.
- ✓ Scalable, robust and secure technology.
- ✓ One all-inclusive fee per transaction.

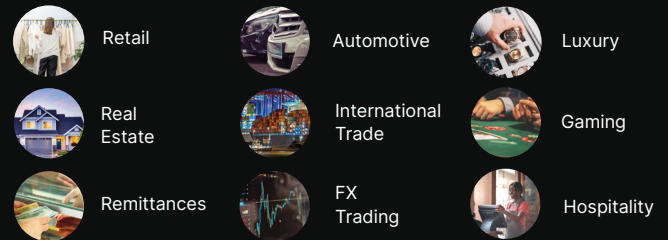

### WHY CRYPTO PAYMENTS?

- Grow revenue with the rapidly growing crypto consumer segment, where AOV is typically double that of cards.
- ✓ Faster, cost-effective, limitless and borderless transactions that boost profits.
  - ✓ Merchants accepting crypto report that 40% of crypto consumers are new customers.
  - ✓ No chargebacks, ensuring secure revenue.
  - ✓ No rolling reserve, holdback or PCI-DSS compliance costs.
  - ✓ Beyond a payment choice, it's a strategic move for future relevance.
  - ✓ Stay ahead in the digital economy with secure, innovative and user-friendly customer experiences.

## RELATIONSHIPS & LICENSES

## SOLUTIONS FOR ALL SECTORS

## HOW IT WORKS

ForumPay instantly converts crypto into fiat (or stablecoin)

The customer pays from their cryptocurrency wallet

02

Funds are reflected on the merchant dashboard in real time and settled into their preferred bank account on the next business day

PAYOUTS AND REFUNDS ALSO AVAILABLE IN CRYPTO OR STABLECOIN

JOIN THE GLOBAL CRYPTO PAYMENT REVOLUTION

85% of senior executives in the US expect that their suppliers will accept crypto payments in the next five (5) years<sup>1</sup>.
